

**Accelerate to Industry™**  
FOUNDED BY THE NC STATE UNIVERSITY  
GRADUATE SCHOOL

The Accelerate to Industry (A2i)™ program represents a bold, new approach to enhance graduate student and postdoctoral industry workforce readiness. This innovative symposium features industry-led workshops, panel discussions, CV/resume evaluations, and networking activities - all focused on preparing UF graduate students and postdocs for non-academic careers.

Please join us virtually May 3 - 5, 2021 for the upcoming A2i event! The link for the application can be found online through the CSRA website <https://csra.ifas.ufl.edu/>. Be sure to have the application filled out prior to the event, so that you can receive a link for the virtual event.
